Please note that we only accept debit/credit card payments. We no longer accept cash, cheque or postal order payments.

Other information

You should also provide the Vehicle Registration Numbers of the three vehicles in which you are most likely to use a Blue Badge if your application is successful. Section 2a

Section 3 – Questions for 'subject to further assessment' applicants with walking difficulties

Section 3 is to be completed if the questions in Section 2 do not apply to you and if you have a permanent and substantial disability which means you cannot walk or which means that you have very considerable difficulty walking.

A permanent disability is one that is likely to last for the duration of your life. Medical conditions such as asthma, autism, psychological / behavioural problems, Crohn's disease / incontinent conditions and Myalgic Encephalomyelitis (M.E.) are not in themselves a qualification for a badge. People with these conditions may be eligible under this criterion, but only if

they are unable to walk or have very considerable difficulty in walking, in addition to their condition.

You are asked to describe the nature of your disability and give an estimate of the maximum distance that you can walk without assistance from another person or severe discomfort. It can be difficult to accurately work out the distance you can walk. There are several things that can help you:

- Ask someone to walk with you and pace the distance you walk.
- The average adult step is just less than one metre, which is 1.1 yards or 3 feet and 4 inches.
- If you walk alongside someone and they take 100 steps you would have walked roughly 90 metres, or 100 yards.
- The average double-decker bus is about 11 metres, or 12 yards, long.
- A tennis court is about 24 metres, or 26 yards, long.
- A full size football pitch is about 100 metres, or 110 yards, long.

If you still find it difficult to work out the distance you can walk in metres, please tell us:

- The number of steps you can take, and how long, in minutes, it would take you to walk this distance.
- About your walking speed.
- The way that you walk, for example, shuffling or small steps etc.

You may be required to attend an appointment with an Ocupational Therapist to undertake a mobility assessment if relevant.

Section 4 – Declarations and signatures

Section 4: Please take the time to read and understand these declarations as not ticking those that are relevant to your application may result in Birmingham City Council not being able to accept your application.

The rules for passport-style photographs

Section 4a: All applicants must sign and date the form prior to submitting it.

A local authority may refuse to issue a badge if they have reason to believe that the applicant is not who they claim to be or that the badge would be used by someone other than the person to whom it has been issued.

Please do not send in original documents with your application.

If your badge application is successful, the leaflet "The Blue Badge scheme – rights and responsibilities in England" will be sent to you with the badge. This leaflet explains the rules of the Scheme and how you should use the badge properly. The leaflet can be viewed at:
