Request - FOI 7447

I am doing research into the effects of recession on the provision of domestic abuse services and specifically would like answers to the following questions.

1. The number of people accepted as homeless by your housing department, who declared homeless because of domestic abuse for the financial year 2007/2008

2. The number of people accepted as homeless by your housing department, who declared homeless because of domestic abuse for the financial year 2011/2012

3. The total financial contribution your authority made to local domestic abuse services and/or refuge services for the financial year 2007/2008

4. The total financial contribution your authority made to local domestic abuse services and/or refuge services for the financial year 2011/2012
