Car parks in Birmingham City Centre

The map on the reverse of this leaflet shows the location of the Council's car parks in Birmingham City Centre and details of special parking rates.

Opening hours

Please check the notices at the car park entrance or near to the ticket machines for the opening and closing times. These may be different on Sundays.

Note: vehicles cannot be retrieved after the car park has closed.

Charges

Most of the council's car parks use the 'P ay and Display' system. Please check the notice alongside the ticket machines for details of the charges and charging hours.

The ticket machines accept 5p,10p, 20p, 50p and £1 coins and in some cases £2 coins. Motorists are advised to insert the correct money as the machines do not give change.

Alternatively, the 'Pay by Phone' service can be used, which enables payment by debit or credit card. Please see the notice on the ticket machines for details. You can save a little time by registering for the service in advance on the internet. Follow the links at

www.birmingham.gov.uk/parking

The council has introduced the 'Pay on Foot' system, controlled by barriers, at its Town Hall Car Park and Millennium Point Car Park.

Season tickets

Season tickets valid for 3, 6 or 12 months are available at many of the car parks.

Please telephone 0121 303 7616 for details and an application form.

Parking for disabled badge holders

Many of the council's car parks have wider spaces available, which are reserved for Blue Badge holders. There is no charge for parking by Blue Badge holders, provided their badge is correctly displayed.

Penalties

Please ensure when using the Council's car parks that you park correctly and pay the relevant parking charge taking care to display your ticket inside the windscreen with the date, time and other details printed on the front clearly visible from outside the vehicle. A Penalty Charge Notice may be issued if you fail to do so.

Help stop crime

The Council continues to introduce measures to minimise vehicle crime at its car parks. This includes staff patrols, CCTV, etc. Many of the Car Parks now have ParkMark (safer parking) awards.

Motorists can help us to stop car crime by taking the following steps:

- Lock all doors
- Close all windows
- Remove valuables from view (including SATNAV equipment)

Tell us what you think

The council is keen to receive feedback from customers about its services. If you have any suggestions on how we can improve our parking service or if you have any other comments, please let us know using the contact details below.

You can also provide feedback using the questionnaire on the council's website at www.birmingham.gov.uk/parking
